DATE

Work to conform to latest edition of Newfoundland and Labrador Master Specifications for Municipal Water, Sewer and Roads.

Contractors shall ensure that work covered under these documents conforms, where required, to the following procedures and regulations set out by the Occupational Health and Safety Branch of Digital Government and Service NL.

Site visit is recommended prior to the close of Tender.

Any damage to properties during repairs (outside of the designated work area identified in aerial photo) will be repaired at cost to successful bidder.

Areas to be landscaped with topsoil and sod may need minor excavation to remove excess subgrade material to accommodate 100mm topsoil and 50 mm sod. Area where class A is to be installed, minor excavation and removal may be necessary as well. This excavation/removal will be incidental to bid price.

Newly installed sod must be level with existing landscaping.

Please reply to the undersign on or before 2:00 p.m., Friday, May 10, 2024 stating price per sq.m. Lowest or any price not necessarily accepted. The Town of Grand Falls-Windsor reserves the right to accept or reject bids in the best interest of the Town and its citizens.

Thank you.
